GRAFFITI[®]
MAGIC

NOW YOU SEE IT...

PERMANENT WATER WASHABLE & BREATHABLE ANTI-GRAFFITI SYSTEM

A single pack clear semi matt coating, offering excellent long term protection against graffiti.

Graffiti Magic is used on textured, rough and smooth surfaces, giving excellent water and mildew resistance, breathable and fire resistant, whilst continuing to retain the appearance and aesthetics of the original surface.

Graffiti magic is available in clear and some RAL colours, single coat application, protection after a couple of hours, brush, roll or spray application.

Hazardous aggressive solvents are often used as cleaning agents and rarely is removal of graffiti one hundred per cent successful, with Graffiti Magic only water is required to remove graffiti no chemicals required.

Graffiti Magic, when correctly applied, has an expected life of up to 20 years. Graffiti Magic combats these problems and provides a unique concept in graffiti and marker pen protection.

Graffiti can be removed quickly and easily with water, no chemicals required.

Graffiti removal could not be easier

- No mess
- No harmful solvents and
- No damage to the original surface or surrounding landscape.

Features & Benefits

- **Non sacrificial protective coating:** gives permanent cost effective protection against graffiti.
- **Semi Matt finish:** aesthetic features of the original finish are retained.
- **No harmful solvents** are necessary and no damage to the original surface, even after repeated graffiti removal.
- **No re-application** required after clean-ups.

ABOUT GRAFFITI MAGIC

EFFECTIVE GRAFFITI-RESISTANT COATING SYSTEM

Graffiti Magic® is usually applied in one coat. It is a single part system, simply open the can and brush, roll, or spray it on, with no mixing required.

Graffiti Magic® is an easy to apply coating that is also environmentally friendly. Graffiti Magic® can be used anywhere and on any surface. Just wash any graffiti away with water and no ghosted image will remain. With Graffiti Magic® applied to the desired surface, graffiti, stickers and posters can be cleaned off with just water, so no detergents required. This new and exciting product development clearly gives both financial and environmental benefits. It will even bond to marble.

A British coating that is in use worldwide.

GRAFFITI MAGIC

Graffiti Magic® specialise in Anti-Graffiti coatings that protect surfaces from Graffiti Damage.
